

# LICENSING TERMS

## *Positive Science - Arts*

All manuscripts submitted to ARTS are subject to the journal's copyright and licensing policy.

### **1. Copyright and Author Rights**

Authors retain copyright in their work. Upon acceptance for publication, authors grant the Publisher, POSITIVE SCIENCE, a non-exclusive, worldwide, and royalty-free license to publish, reproduce, distribute, communicate to the public, archive, and preserve the work in all media and formats, whether currently known or developed in the future.

This license enables the Publisher to make the work available through the ARTS website, academic platforms, institutional repositories, and indexing and abstracting services.

### **2. Creative Commons License**

All articles published in ARTS are distributed under a Creative Commons license, which defines how the work may be used by third parties.

Unless otherwise stated, the journal applies the following license:

[Creative Commons Attribution 4.0 International \(CC BY 4.0\)](https://creativecommons.org/licenses/by/4.0/)

Full license text: <https://creativecommons.org/licenses/by/4.0/> fully compliant with Plan S

Under this license, users are permitted to:

- Share - copy and redistribute the material in any medium or format
- Adapt - remix, transform, and build upon the material

for non-commercial and commercial purposes, provided that appropriate credit is given to the author(s) and the original publication in ARTS, and that any changes made are clearly indicated.

### **3. Author Use of Published Work**

Authors are encouraged to share and reuse their published work for scholarly, educational, and non-commercial purposes, including teaching, conference presentations, and inclusion in personal or institutional repositories, with proper citation to the original publication in ARTS.

### **4. Third-Party Materials**

Authors are responsible for ensuring that any third-party content included in their manuscripts (such as images, figures, or extended quotations) is cleared for distribution under the selected Creative Commons license.

### **5. Legal Framework**

These Licensing Terms are governed by French law and are aligned with applicable European Union regulations. Nothing in these terms affects the author's moral rights (droits moraux), which remain with the author in accordance with French law.
